Job description / Qualification:

We are looking for talented and passionate **Marketing Graphic Designer** to join our fast-growing business based in Düsseldorf, Germany. This is a highly creative role with you will be responsible for creating and producing all marketing artwork for Huawei Mobile Services, including branding VI identification, online assets (banners, social media graphics, etc.), offline assets (brochures, flyers, invitations, event booths, etc.), video animations, etc.

Duties of the Marketing Graphic Designer include:

- Create and produce digital graphic visuals, including but not limited to: key art visuals, layouts, batches of visual assets and rich media.
- Create content for mobile media platforms (in-app graphics, icons, banners, adaptations to many sizes).
- Design promotional materials for digital media channels, including programmatic adverts and edit content (pictures, videos, banners).
- Create promotional materials for traditional / offline media and events (print ads, posters, brochures, exhibition booth branding etc.).
- Work closely with internal stakeholders and external partners to ensure that the visual identity is in line with brand guidelines.
- Preferably count with great skills in layouts and adaptation of images into different formats and sizes in short periods of time.
- Excellent Photoshop/Illustrator skills using multiple artboards on a single file.

Requirements of the role:

- Minimum of 3 years working as a Graphic Designer.
- Extensive and demonstrable experience with Adobe Illustrator, InDesign, Photoshop, Adobe XD and video editing tools, for example: After Effects, Premier and others.
- High understanding of digital trends and trials on new media.
- Print, email and online advertising design experience.
- Excellent understanding for branding, typography, layouts and UI/UX.
- Exceptional conceptual and creative abilities.
- A collaborative, solutions driven and “can do” attitude.
- Ability to work effectively under tight deadlines and in an autonomous or team environment.
- Online portfolio is required and must be included with application.

Required skills / personal characteristics

- Working language is English, fluent English skills are a must.
- A passionate and creative hands-on team player.
- Proactive, committed and able to work independently.
- A well-organized, collaborative and strong “can do” – attitude.
- Enthusiastic and have positive attitude.
- Able to bring new ideas and innovations to the team.
- Experienced in co-operation with different stakeholders in an international environment.
- Abilities for animating video are a plus.

Location:

Huawei Technologies Duesseldorf GmbH.

Notice:

- Applicants must be eligible to work in Europe, Huawei cannot currently sponsor any work permit applications.
- This is 12 month Temporary Agency Worker engagement with Huawei based in Düsseldorf, Germany.
